# THE CHAIRMAN'S REPORT for the year ended 30 June 2023

It's all about people. People who benefit from the fund primarily of course. That's why we are here. Much more on that later. It's also about those we work with and those who make it work within Hampton Fuel Allotment Charity – known more simply as Hampton Fund.

I start then with mention of our former Director, David White. After 12 successful years at Hampton Fund that saw significant change under his leadership, David left us to spend more time with his family and to pursue his many interests. We wish him well for the future.

As we have been without a Director since January 2023, I want to record here my personal thanks to both my fellow Trustees and our fantastic staff. All have gone the extra mile to cover the Director's responsibilities during the recruitment of David's successor. Special mention here to Geraldine Locke and her P&R team for the professional and successful recruitment process.

It is my sincere hope and belief that the work Hampton Fund does has continued for those who rely on us, without noticeable disruption, as it has for the past 212 years.

#### It's what we do

Hampton Fund provides grants and other forms of financial help to low-income families and individuals, primarily helping them with their energy costs, core furnishing and white goods and a contribution to school uniforms and school trips. While fuel continues to be very much in focus today, we continue to support other local charities that provide a range of services within the community.

It is our stock-market-invested endowment fund that enables us to do this, and great credit goes to our fund managers and our Chair of Finance and Investment, Dr Martin Duffy and deputy, Sharika Sharma, for steering us through increasingly volatile markets with a steady hand.

Significantly this year, we moved some 50% of our portfolio from UBS to Barclays in pursuit of our duty as Trustees to best manage our resources. While such a move can cause a brief pause in income, our robust approach to reserves meant we have been able to meet all of our budgeted commitments and more.

#### How have we helped individuals this year?

Hampton Fund begun in 1811 to provide fuel to those in need and that long tradition continues today. Most individual awards are fuel grants paid directly to energy suppliers on an applicant's behalf. During 2022/23, we awarded 2,028 fuel grants to individuals totalling £1,082,775 (2020/21 saw 2,579 including 650 second payments at a cost of £1,080,449), a modest increase after the considerable upsurge of the previous year.

In addition, we made grants for the purchase of basic white goods, for example a fridge or a cooker, and basic items of furniture such as a bed. Often these grants were made where rehousing was needed, especially of those previously homeless. School journey grants were up by just over 14% and uniform grants by 6.5%.

Our Individual Grants panel was superbly Chaired by Hampton Fund Deputy Chair, David Meggitt and responses to applicants were quickly and transparently handled by Carole Swinburne and Sheila Pryde. Those in need could apply directly to us in person or on-line via <a href="https://www.hamptonfund.co.uk">www.hamptonfund.co.uk</a>.

# THE CHAIRMAN'S REPORT (Continued) for the year ended 30 June 2023

#### How have we helped local charities this year?

The work of the charities and community groups in our borough has been especially important in recent years although the extraordinary costs of lockdowns are hopefully behind us. Community groups and local charities will undoubtedly remain key in the near future and their work is very much needed and appreciated. We continue to support those in need by making grants to many of these organisations.

Managed by Jan Webb, Community Grants Manager, and compellingly led by Adele Kimber, Chair of Community Grants, Hampton Fund made 67 community grants in 2022/23 to charitable organisations (81 in 2021/22) totalling £1,428,200 (£1,552,050 in 2021/22).

Our grants cover a wide variety of sectors, including disability, older people, children and young people, carers and mental health as well as community activities. The end-of-grant monitoring report we receive from the groups we fund is one way we evaluate the impact of our funding. We are honoured to be able to contribute to such organisations. Between individual /direct grants and community/charity grants it is estimated that Hampton Fund and the charities it supports have benefited approximately one in ten of the residents of our catchment area.

#### How can we do more?

Beyond our stock-market based fund raising, our collaboration continues with Richmond Parish Lands Charity (RPLC) and OneRichmond, our joint project to encourage "placed-based giving" or, simply put, the people of Richmond Borough helping the people of Richmond Borough.

OneRichmond was established jointly by Hampton Fund and RPLC. Independent research commissioned by Hampton Fund and RPLC – (On The Edge, available on request) – concluded that the perception of Richmond as a wealthy place masks high levels of hidden need.

The aim is to work with others to unlock significant additional resources, from within and outside the Borough, in order to improve opportunities and change lives. We want a borough in which everyone can thrive. By additional resources, we mean funds, expertise, time and use of facilities. Recognising that we could not address every need at once and hope to succeed at any of it, our initial focus has been on young people.

Peer research showed that career preparation and mentoring was second priority for young people after mental health. The latter though is well provided for through other schemes, some of which Hampton Fund already sponsors. Mentoring on the other hand seemed to have very little provision, generally offered to limited or special needs groups.

Somewhere out there is the next Albert Einstein or Isaac Newton, Bezos or Musk or perhaps the next Prof. Sarah Gilbert who designed the Oxford AZ vaccine in such short order. They may not know it yet but perhaps with the right inspiration and experienced guidance they may gain benefit, not just for themselves but for all of us. That is what is behind OneRichmond sponsorship of the Young Enterprise programme. Our hope is that by eventually bringing this service to all young people in the borough it may provide that spark.

We welcomed this year the first full time OneRichmond employee in Development Director, Rebecca McLoughlin who has already added great momentum to the project. Hampton Fund Trustee, Laurence Sewell has also joined the OneRichmond team. Thanks once again to all those who have helped to promote and support this work at both Hampton Fund and RPLC.

## THE CHAIRMAN'S REPORT (Continued) for the year ended 30 June 2023

#### Meeting local needs today and tomorrow

Looking after the endowment fund and balancing the needs of present and future generations are challenges that we, as Trustees, have to consider carefully. Accordingly, our prime investment objective is to ensure that funds available for beneficiaries are maintained in real terms, so as to ensure that future generations may benefit from the endowment at least as well as the current one.

In order to achieve this goal, we have adopted a 'Total Return' approach to investment which allows Trustees to use both income and capital growth produced by the endowment fund to satisfy expenditure. This removes any reliance on income alone to meet expenditure and permits a more flexible and longer-term investment approach.

In looking after our endowment, we take independent professional advice on how its financial assets are invested and managed. During the year, management of the endowment's assets was shared between UBS Asset Management, Barclays Private Bank and Rathbone Investment Management. Although our total investment portfolio moves up and down with the markets, we take a long-term view that has seen steady growth in the fund and what it can give to those in need locally.

#### Charity governance

Governance continues to be an important duty of the Board of Trustees and we execute a programme of regular review of all our policies. Staff turnover is another important risk to manage, and I am glad to say that, Director aside, we have had another year with no changes. I give my thanks once again to our team of professionals.

## **Our Trustees**

Ultimately governance sits with the Trustees. Our Trustees are permitted to serve a maximum of two five-year terms, and we can have up to 12 (the exception being Rev. Ben Lovell, ex officio Trustee as Vicar of St. Mary's). We believe this offers a healthy balance of stability and turnover, with usually one or two new each year. During the year we welcomed Samantha Bailey and Richard Baker to the Board of Trustees.

Though we are pro-active in seeking to recruit new Trustees, we always welcome enquiries from those who might be interested in serving. We have a full roster at present, but Trustee Dr James Brockbank completes his second five-year term in 2024 (and Kim Loxton her first five-year term).

#### Keep in touch

Finally, do tap into our continued presence on social media and on our website www.hamptonfund.co.uk, put together by our Communications Strategy Group, Chaired by Dr James Brockbank. Otherwise, if you would like to speak directly to us, do call our office on 020 8941 7866.

Putting people first, Hampton Fund remains forever in trust for the benefit of the people of Hampton and beyond. Whatever comes our way, we will be here for you.

With thanks

Date NOV 9TH 2023

## TRUSTEES' ANNUAL REPORT for the year ended 30 June 2023

The Trustees present their report and the financial statements of Hampton Fuel Allotment Charity (also referred to as "Hampton Fund" or "the Charity") for the year ended 30 June 2023.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the financial statements and to comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

#### Charitable purpose and activities

The Charity exists to address need in the community and to improve the quality of life of inhabitants in its area of benefit. This need may arise from various sources, including financial hardship, ill-health and disability, and gaps in the funding of education and local recreational amenities. It achieves this purpose by making grants, both to individuals and families and to not-for-profit organisations whose work falls within these parameters.

The funding for these grants arises out of income derived from the Charity's investments. The Charity aims to balance the needs of current and potential future beneficiaries by maintaining the value of the endowment in real terms, in addition to meeting current needs.

The area of benefit within the London Borough of Richmond upon Thames (LBRuT) and in order of priority, is:

- 1) Hampton and Hampton Hill;
- 2) the remainder of the former Borough of Twickenham (Hampton Wick, Teddington, Twickenham and Whitton); and
- 3) the remainder of the present LBRuT. Individual grants are restricted to the first two of these.

### Assets of the Charity

The assets of the Charity totaled £59.3 million at the year end, consisting of £57.1 million of investments, £1.2 million of property and net cash, debtors and creditors of £1.0 million. The total return generated from the investments is used to meet the charitable objects.

## **Grant making policy**

- 1. Individual grants Families and individuals on low income
- To meet a proportion of the electricity and gas bills of individuals and families who meet our criteria;
- To provide essential equipment (for example white goods or items of furniture); and
- To support children, who are in their penultimate or final year at junior school, with the costs of the school journey and school uniform.

Beneficiaries must live in the Hamptons, Teddington, Twickenham, or Whitton.

## 2. Community grants

Organisations are supported to tackle need and improve quality of life, benefiting residents in the following areas: the Hamptons, Teddington, Twickenham, and Whitton. The Trustees may consider initiatives that also benefit residents in the rest of the London Borough of Richmond-upon-Thames, providing there is a significant proportion of beneficiaries from the areas outlined above.

## What the Charity is unlikely to support

The Charity is unlikely to support any of the following:

- Holidays (with the exception of severe medical or health need)
- Services which are the responsibility of a statutory body
- Grants to individuals for private and post compulsory education
- Retrospective funding, both capital and revenue
- National general charitable appeals
- Endowment appeals
- The advancement of religion and religious groups, unless they offer a non-religious service to the community
- Projects of a political nature
- Animal welfare
- Commercial and business activities
- Social Enterprises except Community Interest Companies (CICs)

#### How to apply for a grant - Individuals

Our individual grant application form is now available to complete online through the following link: <a href="https://www.hamptonfund.co.uk/apply/">https://www.hamptonfund.co.uk/apply/</a>

For those who do not have access to the internet, the application form, which should be sent to the Individual Grants Manager, is also available to download from our website (<a href="www.hamptonfund.co.uk">www.hamptonfund.co.uk</a>). The forms are also available from the Charity's office and from advice and community centres in our area of benefit.

## How to apply for a grant - Organisations

Information and guidance on the Charity's application process for a community grant is available on the Charity's website (<a href="www.hamptonfund.co.uk">www.hamptonfund.co.uk</a>), including a copy of the application forms.

#### Public benefit

The Trustees have taken The Charity Commission's general guidance on public benefit (contained within the recent publication "Charities and Public Benefit") into consideration in preparing their statements on public benefit contained within this Trustees' Annual Report.

Our vision is to give our community the chance to create a brighter future and the opportunity to thrive.

The Charity provides grants to individuals in need to improve quality of life and well-being; and funds charitable organisations and community groups to provide a range of services and activities to tackle disadvantage and inequality.

To determine to what extent the Charity is achieving public benefit, the Trustees use the following measures of success and gather evidence accordingly:

- Assessment of the organisations we fund to determine positive outcomes for people in our area of benefit;
- · Evaluation and Impact reports of the work we fund from organisations, including case studies; and
- Feedback such as "thank you" letters from individual recipients and from other people and organisations dealing with our beneficiaries.

#### ACHIEVEMENTS AND PERFORMANCE

#### Grant giving - Individual grants

During the year, the Trustees awarded grants amounting to £1,175,306 (2021/22: £1,178,489). This very similar level to the previous year is not unexpected and is largely due to the same contributing factors:

- Due to the unprecedented increase in energy prices and the impact on gas and electricity bills, the Trustees have identified that families are particularly vulnerable at this time.
- Increased awareness of our support with the use of social media and online application form.
- Increased work with our local schools, as reflected by the significant increase in the number of grants for school journeys.
- An increase in the number of energy companies that we can work with.

A summary of the individual grants awarded in the year is as follows:

|  | Grants awa | rded 2022/23 | Grants awa | nts awarded 2021/22 |  |
|--|------------|--------------|------------|---------------------|--|
| Category                                   | Number     | £            | Number     | £                   |  |
| Fuel grants                                | 2,028      | 1,082,775    | 1,929      | 943,949             |  |
| 650 additional payments to families @ £210 |            | =            |            | 136,500             |  |
| Essential items and furniture              |            | 67,132       |            | 67,531              |  |
| School journey grants                      | 120        | 15,618       | 105        | 15,669              |  |
| School uniform grants                      | 81         | 8,791        | 76         | 13,400              |  |
| Disability grants                          |            | 990          |            | 1,440               |  |
| TOTAL                                      |            | 1,175,306    |            | 1,178,489           |  |
| Less: Fuel grant refunds                   |            | (5,296)      |            | (4,487)             |  |
| TOTAL                                      |            | 1,170,010    |            | 1,174,002           |  |

#### Grant giving - Community grants

During the year, the Trustees awarded 67 grants (2021/22: 81) amounting to £1,428,200 (2021/22: £1,552,050). For a full list of the community grants awarded in 2022/23, please see note 15 to the financial statements. A summary of the community grants awarded in the year is as follows:

|                             | Grants Awar | ded 2022/23 | Grants Awa | arded 2021/22 |
|-----------------------------|-------------|-------------|------------|---------------|
| Category                    | Number      | £           | Number     | £             |
| Advice, Advocacy & Outreach | 3           | 89,000      | 2          | 73,500        |

#### OneRichmond

**OneRichmond** was established jointly by the Charity and another important local grant-making charity, **RPLC**. Independent research commissioned by the Charity and RPLC (*On The Edge*, available on request) concluded that the perception of Richmond as a wealthy place masks high levels of hidden need.

Acting as a catalyst for change, OneRichmond exists to identify, highlight and address unmet needs across the London Borough of Richmond, that neither the Charity nor RPLC has sufficient resources to meet. The aim is to work with others to unlock additional significant resources, from within and outside the Borough, in order to improve opportunities and change lives. We want a borough in which everyone can thrive. By additional resources, we mean funds, expertise, time and use of facilities.

In the past year, OneRichmond has made grants:

- (i) to Young Enterprise (£16,500) towards the provision of their Company Programme, Learn to Earn, Launchpad and Enterprise Masterclass in three local schools; and
- (ii) to Citizens Advice Richmond (£40,000) and Richmond Aid (£20,000) to provide additional capacity and resources for advice services relating to the government's Household Support Fund.

#### HAMPTON FUEL ALLOTMENT CHARITY

## TRUSTEES' ANNUAL REPORT (Continued) for the year ended 30 June 2023

Looking to the future, OneRichmond will pursue its aims by:

- being an active member of the London Giving Network;
- · raising funds from residents, local businesses and other funders;
- grant-making to organisations addressing specific needs identified by OneRichmond;
- sharing information and ideas with local partners and working collaboratively to address and seek solutions
  to the causes and symptoms of prioritised issues; and maximise the use of our collective resources and avoid
  duplication; and
- · commissioning research to inform decision-making.

This programme is being driven by the OneRichmond Development Director, Rebecca McLoughlin, who was appointed in March 2023. We are in the process of setting up OneRichmond as a Charitable Incorporated Organisation (CIO). The Board of the new CIO will include trustees nominated by Hampton Fund and RPLC.

Trustees at Hampton Fund consider that OneRichmond adds value to its existing work. For further information on OneRichmond, please visit <a href="https://www.OneRichmond.org.uk">www.OneRichmond.org.uk</a>.

#### FINANCIAL REVIEW

#### Financial results of activities and events

The Charity's investments produced a total return (defined as investment income plus capital gains or losses) of +5.33% or £3.02 million gain (2021/22: -0.33% or £0.20 million loss), being investment income of £1.90 million (2021/22:£1.85 million) plus capital gains of £1.12 million (2021/22: losses of £2.05 million). The Charity received income from other sources of £0.03 million (2021/22:£0.05 million) and incurred total expenditure of £3.16 million (2021/22:£3.23 million), resulting in a deficit of £0.11 million for the year (2021/22:£3.38 million deficit).

Total expenditure of £3.16 million (2021/22: £3.23 million) included grants to individuals and charitable organisations totalling £2.60 million (2021/22: £2.72 million), investment management fees totalling £0.10 million (2021/22: £0.12 million), operating costs totalling £0.41 million (2021/22: £0.37 million) and a contribution to OneRichmond of £0.05 million (2021/22: £0.02 million).

The total net assets of the Charity at 30 June 2023 were £59.30 million (30 June 2022: £59.41 million), consisting of £57.09 million of investments (30 June 2022: £56.65 million), £1.17 million of property (30 June 2022: £1.18 million) and £1.04 million of net current assets (30 June 2022: £2.44 million).

#### Reserves policy

The Trustees' policy is to maintain sufficient free reserves (unrestricted funds not committed or invested in tangible fixed assets or designated funds) to cover three years of operating expenditure, which based on our 2023/24 budget is around £9.69 million. At 30 June 2023, our level of free reserves was £6.92 million (30 June 2022: £8.04 million), which represents around 26 months (30 June 2022: 30 months) of expenditure.

#### Transfers policy

The Unapplied Total Return Fund is used to make transfers to the General Fund during the year to meet grant payments to current beneficiaries, whilst periodically investing back into the Permanent Endowment Fund for the benefit of future beneficiaries. Charity Commission regulations require that the amounts spent on grants and the amounts reinvested have to be compatible with the trustees' duty to further the aims of the charity.

The Trustees aspire to maintain grant levels over time in real terms but given the variability of market returns and inflation levels, cannot always achieve this over short time periods. In particular, reflecting the exceptionally high levels of inflation over the past two years would have resulted in high levels of re-investment in the Permanent Endowment Fund to meet, as yet unknown, future needs with a corresponding reduction in funds available to meet current, known, needs.

Accordingly, the Trustees decided that a fairer balance between meeting current and future needs would be achieved by limiting the transfer to the Permanent Endowment Fund to 2% (£1.0 million), being more in line with longer-term inflation expectations. The Trustees transferred a total of £1.5 million to the General Fund over the year.

#### Investment policy

The Trustees' investment powers are those as defined by the Trustee Act 2000. The Trustees are required by the Charity's deeds to ensure that its investments are kept under review by one or more experts, who are required to inform the Trustees or investment managers of any changes that may be in the best interests of the Charity. The Trustees may only make changes to the Charity's investments following advice from an independent investment expert.

The Charity's prime investment objective is to maintain funds available to disburse in grants at their current level of around 4% of the value of the endowment (currently in excess of £2 million), in real terms over time. In order to achieve this, the Trustees have established an investment strategy which aims to produce an average annual total return (defined as income plus capital growth) of Consumer Price Index (CPI) +4%.

The Trustees have adopted a Total Return approach to management of the Permanent Endowment Fund, which provides a more flexible approach by relaxing income constraints on its investments. A resolution to this effect was passed on 29 April 2015 and the Trustees agreed to use the value (£39.18 million) of the Permanent Endowment Fund on 30 June 2010 as shown in the Charity's audited financial statements for that date, as the Preserved Value of the Fund (Permanent Endowment Fund). The trustees aspire to protect the value of the Permanent Endowment Fund in real terms by making transfers periodically from the Unapplied Total Return Fund. At 30 June 2023, the value of the Permanent Endowment Fund stood at £51.15 million (30 June 2022: £50.15 million).

The Charity recognises the need to diversify its investments in order to spread risk. Accordingly, management of the Charity's investments is split between Barclays Wealth Management (appointed in 2022 to replace UBS Asset Management) and Rathbone Investment Management (appointed in 2015). Both are active managers but have quite different investment strategies, which brings further diversification. The Charity's investment strategy and the performance of its investments are reviewed regularly by the Trustees with input from the Charity's independent professional investment advisors.

During the year under review, the market value of the Charity's investments increased by approximately £0.44 million (2021/22: fell by approximately £3.55 million). Please refer to note 11 to the financial statements which provides additional information. The investments held at 30 June 2023 include both the Endowment Fund and the General Fund amounts, as shown in the balance sheet on page 24.

#### Responsible Investment Policy

Hampton Fund holds the majority of its investments as financial investments, with the aim of maximising returns at an appropriate level of risk. Appointed investment managers are expected to invest the assets in line with the Charity's <u>mission and values</u> and the Trustees reserve the right to exclude investments that conflict with these, such as (but not limited to) investments in companies involved in practices such as:

- human rights violations
- unethical lending practices (for example payday loans)
- violation of minimum labour and living wage standards
- environmental degradation
- armament sales to military regimes
- pornography
- gambling

The Trustees ask the investment managers to engage with investee company management in relation to quality of governance, environmental and social impact, and exercise voting rights accordingly.

#### PLANS FOR FUTURE PERIODS

### **Future strategy**

The broad strategies and objectives of the Charity have remained constant over many years. However, with the impact of unprecedented high energy prices and cost of living crisis, we have increased our support for families through the level of fuel grant; and through our community grants programme, we have increased our funding to support charities that are tackling the needs of those on low income who are experiencing many aspects of disadvantage at this time (that is increased support for debt advice and food poverty initiatives).

Earlier this year, the Trustees held an Awayday. Trustees discussed a range of issues to help shape our medium and longer-term vision, including our values, accessibility of our grants, succession and governance. In all, 27 action points were identified. A working group has been established to prioritise these action points and to determine the timescale to implement each of these.

The Charity will continue to be responsive to potential changes of emphasis or new areas of work.

#### Communications

We plan to continue to be active in social media, both on Facebook and Twitter, further raising the profile and awareness of Hampton Fund, and the help available. It is worth noting that during the financial year, the Individual Grants Application Form was available online, and this has certainly contributed to an increase in the number of applications received.

#### Impact of activities and significant events

The Charity will retain similar investment benchmarks as at present. Its grant giving priorities will also remain similar to those for the year under review.

#### **Future commitments**

For some reporting periods, the Trustees will award grants to organisations, which have not been accounted for within the year concerned, because terms and conditions attaching to those grants have not been fulfilled by the year end date. At 30 June 2022 and 30 June 2023, there were no such commitments.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Status and history

The Charity was created following the 1811 Enclosure Act by the granting of 10.14 acres of land for producing a supply of fuel for the poor of the ancient parish of Hampton. Subsequently the land was rented out for nurseries. In 1988, the land was sold for development and the sale proceeds formed the financial base for the current work of the Charity.

Hampton Fuel Allotment Charity became a registered charity on 19 November 1962. The governing document was a scheme of the Charity Commission dated 26 August 1981. It was amended by schemes dated 27 July 1989, 4 December 1991, and 21 April 2004 and an order dated 19 August 2004. With effect from 27 April 2005, the Trustees resolved to make various alterations to these documents with the approval of the Charity Commission. These various documents were subsequently consolidated into a single document.

## Organisational structure

The overall strategic direction of the Charity is determined by the Trustees, who have set up various sub-committees and made various professional appointments to assist them in ensuring the strategic goals of the Charity are achieved. Trustees are normally appointed for a period of five years.

The Trustees transact the Charity's business through Board meetings, which are held at least four times a year and through the sub-committees of the Board. The activities of sub-committees are reported to the main Board meeting.

**Finance and Investment Panel**: this panel usually meets five times a year, including 6-monthly reviews with our investment advisor and investment managers; and oversees the Charity's investment strategy and performance. It also sets the Charity's annual budget.

**Personnel and Resources Panel**: this panel meets at least once a year and keeps under review matters relating to staffing, staff performance, office premises and equipment.

**Individual Grants Panel**: this panel meets at least six times a year to consider applications from individuals and families in need. In urgent cases, two Trustee members and the Individual Grants Manager have delegated power to agree grants. The level of awards is reviewed on a regular basis.

**Community Grants Panel**: this panel meets at least six times a year and considers applications from organisations. The panel has delegated powers to make grants up to an agreed amount, currently £40,000 and to make recommendations to the Board for grants above that amount.

The awards of both the Individual Grants Panel and the Community Grants Panel are reviewed by the full board of Trustees at their regular meetings.

Special Panels may be formed by Trustees, under an established procedure, to consider any formal complaints related to the conduct of the Charity and its relationship with other parties. Working Groups are also established, as and when appropriate, to look at specific areas of work.

#### Key management personnel

The day-to-day management of the Charity is entrusted to the Director and team of staff, who are responsible for delivery of the Trustees' decisions.

The starting salary for new members of staff, including key management personnel, is determined by benchmarking similar roles within the charitable sector. Salaries are reviewed by the Personnel and Resources Panel in February and recommendations made to the Finance and Investment Panel. Recommendations must be approved by the Board of Trustees and any salary increase implemented from 1 July, the beginning of the Charity's accounting year. Individual performance and inflation are critical factors that the Trustees will consider when determining any salary increase.

#### Method of recruitment, appointment, election, induction, and training of Trustees

Recruitment, appointment, and election

One of the Trustees of the Charity is ex-officio, six of the Trustees are nominated and up to five can be co-opted. The ex-officio Trustee is the incumbent of St. Mary's Parish, Hampton. When a vacancy for a nominated Trustee arises, the nominating authority is contacted, and the Charity awaits its selection. The nominating authority is provided with a guideline as to the skills, knowledge and experience that would be of benefit to the Trustee Board.

Co-opted Trustees are recruited from those who are resident in the area of benefit or have a good knowledge of it and have skills and knowledge relevant to the activities of the Charity and its area of benefit. In some cases, these are 'targeted' through a recognised need to have specific skills to assist Trustees' decision making (for example local G.P., financial skills and experience). The Charity will also advertise for new Trustees when appropriate.

#### Induction and training

New Trustees receive induction and a Trustees' Handbook containing essential material about the Charity and how it operates. Key information is held on the Trustee website portal for ease of access. Trustees receive regular reports relating to the Charity's activities, attend regular meetings and are encouraged to participate in training events and workshops to update knowledge.

The Charity recognises the need to keep existing and new Trustees up to date with legislative, Charity Commission and accounting requirements. It also recognises the need for Trustees to be aware of developments within the area of benefit which might affect their grant making. Trustees receive updates from speakers at their meetings, on matters relating to the Charity, as well as one to one induction in place of training.

## Risk management

The Trustees believe that the Charity should manage and where appropriate reduce risk. The Charity maintains a corporate risk register, which is reviewed annually by the Finance and Investment Panel. The Panel will draw the attention of the Board to areas where further action may be required. These are recorded so that the necessary steps can be taken to manage them effectively.

The Charity has adopted the *risk probability* and *risk impact* approach to risk assessment. Although most risks are rated low and medium, this approach highlights the higher risk to loss of investments and income due to external forces (for example stock market and political decisions). Appropriate controls are in place to mitigate these risks.

In addition to risk mitigation, the Charity is aware of the need to respond to events beyond its control that lead to significant disruption to the running of the business. Accordingly, a Business Continuity Plan forms part of the overall risk management processes and procedures, providing an action plan to ensure that the key functions of the Charity will be effectively carried out during any period of disruption.

#### Trustees' responsibilities in the preparation of financial statements

The Trustees are responsible for preparing the Trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Auditor

Mazars LLP has indicated its willingness to continue in office.

### Statement as to disclosure of information to the auditor

The Trustees at the date of approval of this Trustees' annual report confirm that so far as each of them is aware, there is no relevant audit information of which the Charity's auditor is unaware, and the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

#### REFERENCE AND ADMINISTRATIVE DETAILS

From 1 July 2022, the following Trustees have held office:

| Revd Ben Lovell                      |
|--------------------------------------|
|                                      |
| Richard Baker (from November 2022)   |
| Mark Boyle (until November 2022)     |
| Geraldine Locke                      |
| Martin Seymour (Chair)               |
|                                      |
| Hilary Hart (until November 2022)    |
| Samantha Bailey (from November 2022) |
| Laurence Sewell                      |
| Kim Loxton                           |
| Dr James Brockbank                   |
| Dr Martin Duffy                      |
| David Meggitt (Vice-Chair)           |
| Adele Kimber                         |
| Sharika Sharma                       |
|                                      |

The following Trustees served as members of sub-committees during the year ended 30 June 2023:

| Finance and Investment                      | Personnel and Resources                 |
|---|---|
| Richard Baker (from November 2022)          | Samantha Bailey (from November 2022)    |
| Mark Boyle (until November 2022)            | Hilary Hart (until November 2022)       |
| Dr Martin Duffy (Chair)                     | Adele Kimber                            |
| David Meggitt                               | Geraldine Locke (Chair)                 |

David White Director (until April 2023)
Carole Swinburne Individual Grants Manager
Jan Webb Community Grants Manager

Sheila Pryde Assistant Grants Manager

## **EXEMPTIONS FROM DISCLOSURE**

No exemptions from the disclosure requirements applicable to a larger charity have been taken in this Trustees' annual report.

#### **FUNDS HELD AS CUSTODIAN**

Although the Charity would maintain restricted funds to deal with incoming resources that are earmarked for a particular purpose by donors, sponsors, and other funders, the Charity does not currently hold any funds as custodian for any third party.

This report was approved by Trustees on 9 November 2023, and was signed for and on behalf of the Board by

Chairma

Hampton Fuel Allotment Charity – Annual Report 30 June 2023

Date: NOV 917 2023

#### INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF HAMPTON FUEL ALLOTMENT CHARITY

#### Opinion

We have audited the financial statements of Hampton Fuel Allotment Charity (the 'charity') for the year ended 30 June 2023, which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs at 30 June 2023 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the Trustees' Annual Report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

#### INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF HAMPTON FUEL ALLOTMENT CHARITY (Continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

In light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees'
   Annual Report; or
- · sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 15, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

## INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF HAMPTON FUEL ALLOTMENT CHARITY (Continued)

Based on our understanding of the charity and its sector, we considered that non-compliance with the following laws and regulations might have a material effect on the financial statements: employment regulation, health and safety regulation and anti-money laundering regulation.

To help us identify instances of non-compliance with these laws and regulations, and in identifying and assessing the risks of material misstatement in respect to non-compliance, our procedures included, but were not limited to:

- Inquiring of management and, where appropriate, those charged with governance, as to whether the charity
  is in compliance with laws and regulations, and discussing their policies and procedures regarding
  compliance with laws and regulations;
- Inspecting correspondence, if any, with relevant licensing or regulatory authorities;
- Communicating identified laws and regulations to the engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the charity which were contrary to applicable laws and regulations, including fraud.

We also considered those laws and regulations that have a direct effect on the preparation of the financial statements, such as tax legislation, pension legislation, the Charities Act 2011 and the Charities Statement of Recommended Practice.

In addition, we evaluated the trustees' and management's incentives and opportunities for fraudulent manipulation of the financial statements, including the risk of management override of controls, and determined that the principal risks related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, income recognition (which we pinpointed to the cut-off assertion), and significant one-off or unusual transactions.

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the trustees and management on whether they had knowledge of any actual, suspected
  or alleged fraud;
- Gaining an understanding of the internal controls established to mitigate risks related to fraud;
- · Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <a href="www.frc.org.uk/auditorsresponsibilities">www.frc.org.uk/auditorsresponsibilities</a>. This description forms part of our auditor's report.

### INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF HAMPTON FUEL ALLOTMENT CHARITY (Continued)

## Use of the audit report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Mazars LLP Chartered Accountants and Statutory Auditor 6 Sutton Plaza, Sutton Court Road, Sutton, Surrey, SM1 4FS

Date: 25 April 2024

Mazars LLP is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

Note: The high level of purchases and sales of investments in 2023 resulted from the change of investment manager (referenced above under "Investment Policy"). Whilst some individual equity investments were transferred from the outgoing to incoming manager "in specie" in order to minimise transaction costs, investments in third-party funds were sold, transferred in cash and reinvested.

#### ACCOUNTING POLICIES

#### Basis of accounting

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and under the historical cost convention, except as modified for the annual revaluation of fixed asset investments.

Within the definitions of FRS 102, the Charity is a public benefit entity.

The financial statements have also been prepared in accordance with the accounting policies set out in more detail below, to comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### Going concern

The global economy has been significantly impacted by the COVID-19 pandemic, war in the Ukraine, a spike in energy prices and high levels of inflation. This will be a challenging time for our Trustees and Investment Managers. However, the Trustees have considered the future likely cash flows for the Charity covering a period of at least twelve months from the date of approval of these financial statements, and they are confident that sufficient funding is available to support the on-going activities of the Charity. The financial statements have therefore been prepared on a going concern basis.

The financial statements do not include any adjustments that would result should the going concern basis of preparation not be appropriate. In the event that this basis is not appropriate provisions may be required and assets may need to be written down to their recoverable amount.

## Income

General donations and other similar types of voluntary income are brought into account when receivable and donated income is included gross of any attributable tax recoverable, where relevant. Donations given for specific purposes are treated as restricted income.

Investment income is accounted for on a receivable basis once the dividend has been declared or the interest has been earned.

Income receivable from charitable activities is recognised as income when earned by the Charity.

#### 1. ACCOUNTING POLICIES (Continued)

#### Expenditure

All expenditure is accounted for on an accruals basis and is allocated to the Charity's principal activity where the costs can be identified as being directly related to that activity. All costs that cannot be identified as relating directly to the Charity's principal activity are categorised as either support costs or governance costs. Any costs that cannot be specifically categorised are allocated in proportions based upon a suitable ratio applicable to the nature of the cost involved.

Governance costs are the costs associated in running the Charity as a United Kingdom charitable company and specifically include the costs of the external audit.

Grants payable are recognised in the period in which the approved offer is conveyed to the recipient except in those cases where the offer is conditional, such grants being recognised only when the conditions attaching to the award are fulfilled. Grants offered subject to conditions, which have not been met at the balance sheet date, are noted as a potential commitment, but are not treated as a liability.

#### Tangible fixed assets

All tangible assets purchased that have an expected useful economic life that exceeds one year are capitalised and classified as tangible fixed assets. Tangible fixed assets are stated at historical cost less depreciation. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write each asset down to its estimated residual value over its expected useful life, as follows:

Freehold and long leasehold property Fixtures, fittings, and equipment

2% straight line 25% reducing balance

#### Financial investments

The Charity's investments are included in the balance sheet at fair value (their market value). The gains or losses arising upon their annual revaluation are included in the statement of financial activities.

## Social investments

The Charity's social investments are comprised entirely of concessionary loans. Concessionary loans are initially recognised and measured at the amount loaned to the beneficiary involved, with the carrying amount adjusted in subsequent years to reflect repayments and any accrued interest that may be relevant. If there is objective evidence of impairment in relation to any concessionary loan, an impairment loss is immediately recognised in the statement of financial activities, and thereafter, a reversal of part or all of the impairment will be recognised through the statement of financial activities if the beneficiary's circumstances improve.

#### 1. ACCOUNTING POLICIES (Continued)

#### Financial instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments are therefore classified and accounted for according to the substance of the contractual arrangement as financial assets, financial liabilities, or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities.

#### Financial assets and liabilities

The Charity's debtors and creditors that meet the definition of either a financial asset or a financial liability are initially recognised at the transaction value and thereafter are stated at amortised cost using the effective interest method.

#### Pension contributions

The Charity makes contributions into defined contribution pension schemes on behalf of certain employees. The assets of the schemes are held separately from those of the Charity in independently administered funds. The amount charged to the statement of financial activities in respect of pension costs is the total contributions payable for the year.

#### **Fund accounting**

The general fund comprises the accumulated surpluses of unrestricted income over expenditure, which are available for use in furtherance of the general objectives of the Charity.

Restricted funds are funds subject to specific conditions imposed by donors. The purpose and use of the restricted funds are set out in the notes to the financial statements. Amounts unspent at the year end are carried forward in the balance sheet.

The permanent endowment fund is a specific type of restricted fund, which cannot be spent as income. Instead, the funds must be held permanently to produce a return for the Charity.

The Unapplied Total Return Fund comprises that part of the total return on the Charity's permanent endowment investments which has not yet been allocated by the Trustees to either the general fund or the permanent endowment fund. It can be carried forward if not needed or allocated to be spent as income or reinvested in the permanent endowment fund in a particular year.

#### 2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There were no specific judgements, estimates and assumptions that were critical to the preparation of these financial statements.

|    | Office and administration   | 4       | 4       |
|    |   | ===     | ===     |
|    |   |         |         |
|    |   | £       | £       |
|    | Staff costs for the above persons:  |         |         |
|    | Wages and salaries  | 209,644 | 195,631 |
|    | Social security costs   | 19,107  | 20,038  |
|    | Staff pension costs   | 15,990  | 14,736  |
|    | Settlement agreement costs  | 30,000  |         |
|    | Other staff costs   | 7,994   | 11      |
|    |   | 282,735 | 230,416 |
|    |   | ======  | ======  |

During the year, one employee received total emoluments (including settlements) of between £110,001 and £120,000 (2021/22: one between £70,001 and £80,000). In respect of that employee, total pension contributions payable during the year amounted to £6,875 (2021/22: £5,713). The total amount of employee benefits, including employer's national insurance contributions, received by key management personnel for their services to the Charity amounted to £274,741 (2021/22: £195,306). The Trustees received no remuneration (2021/22: £Nil) for their services provided to the Charity and did not claim for any expenses incurred on behalf of the Charity during the current or previous year. Other than in respect of the Trustees, the Charity is not reliant upon the contribution of volunteers.

During 2018/19, the Charity acquired the freehold of a 4-bedroom residential property at 24 Ringwood Way, Hampton Hill, which it refurbished for a total cost of £638,606 and then leased to Spear Housing Association Limited to be managed for the benefit of formerly homeless people transitioning back into the community. The land element of this property with a historical cost of £321,000 is not being depreciated, but the remaining building element is being depreciated on a 2% per annum straight line basis with effect from 2019/20 onwards.

The Charity is the legal owner of the freehold land on which building projects have been undertaken. Grant funding to cover the costs of the building projects was included in charitable expenditure in the years in which the expenditure was incurred. Details of the land and the recipients of the grants are as follows:

| Land                                 | Recipient of grant                               | £       |
|--------------------------------------|--|---------|
| Land at School Road,<br>Hampton Hill | Hampton and Hampton Hill<br>Community Care Group | 235,973 |
| Land at Oak Avenue,<br>Hampton       | Richmond upon Thames Churches<br>Housing Trust   | 165,309 |
| Land at Princes Road,<br>Teddington  | Richmond upon Thames Churches<br>Housing Trust   | 60,000  |
|                                      |  | 461,282 |

In each case, the recipients of the grants also benefit on a continuing basis from operating rent free in these properties. The property values are historic values.

## 10. TANGIBLE FIXED ASSETS (Continued)

The long leasehold property represents the Charity's office at 15 High Street, Hampton.

Below is a table listing all the Charity's property interests:

#### **LEGAL OWNER OF FREEHOLD LAND AND PROPERTIES**

#### 1. The Greenwood Centre, Hampton Hill

The property is leased rent free to Hampton and Hampton Hill Community Care Group. It is a 99-year lease commencing 25 March 1991 (Land Registry Title Numbers: TGL57123 and MX248483). The registered leasehold interest was transferred to the limited company Hampton & Hampton Hill Voluntary Care (Company registration number: 06431882) on 26 October 2021 (Land Registry Title Number TGL81832).

## 2. Oak Avenue/Maple Close, Hampton

There are 8 bungalows on the site. The properties are leased rent free to Richmond upon Thames Churches Housing Trust for 99 years, commencing 23 May 1991. Richmond upon Thames Churches Housing Trust is now part of Paragon Asra Housing (Land Registry Title Number TGL61517).

## 3. 44 and 46 Princes Road/Branksome Close Teddington

There are 4 one-bedroom homes for disabled people. The properties are leased rent free to Richmond upon Thames Churches Housing Trust for 99 years, commencing 29 September 1996. Richmond upon Thames Churches Housing Trust is now part of Paragon Asra Housing. Land Registry Title Number MX101444 (44 Princes Road)

Land Registry Title Number SGL168336 (46 Princes Road)

## 4. 24 Ringwood Way, Hampton Hill

The property was purchased in October 2018 for £575,000. (Land Registry Title Number: MX416514) The property has been leased to Spear Housing Association Limited for 6 years from June 2019.

#### LEASEHOLD

## 5. Office at 15 High Street, Hampton, TW12 2SA

999-year lease from 29 September 1988.

### 10. TANGIBLE FIXED ASSETS (Continued)

#### ADDITIONAL PROPERTY INTERESTS

### 6. The White House, The Avenue, Hampton

The Charity provided a grant of £1.29 million to fund the construction of a community centre. There was a long-term lease between the Trustees of Hampton on Thames Community Association and the local authority, who are the owners of the land, but the lease was surrendered in September 2020. The local authority will be working with other stakeholders to identify an appropriate organisation to manage the community centre with a long-term lease. The original lease was for 125 years from 15 January 1993. In the event that the building closes or is used for non-community use, the Charity is entitled to compensation. Details are set out in the 1993 Deed between the Charity and the local authority. The Trustees consider that the 1993 Deed is no longer 'fit for purpose', particularly following the surrender of the long-term lease, and are keen to negotiate a new Deed with the local authority.

#### 7. Property at 20 Seymour Road, Hampton Wick

In 1991, the Charity provided a grant of £220,500 to Richmond upon Thames Churches Housing Trust (now part of Paragon Asra Housing) to convert a property into 4 self-contained flats for highly vulnerable people. If the current property is sold or is used outside the purposes for which the grant was made (that being support for highly vulnerable people), the Charity is entitled to the original grant or 54.5% of the sale, whichever is greater. There is a new legal agreement between the Charity and Paragon Asra Housing signed in 2019; and a charge has been placed on the property (Title number MX13475).

### 8. All Weather Sports Pitch at Hampton Academy

Funding of £375,000 was provided to the local authority for an all-weather sports pitch for the then Rectory School Hampton. The funding is repayable if the covenants are broken within 60 years. Updated Trust Deed dated 19 August 2010, expiry date 30 April 2051.

### 9. Property at 26 The Green, Twickenham

Funding of £100,000 was provided in 1997 to Richmond-Upon-Thames Welcare, later transferred to Southwark Diocesan Welcare. There is a charge on the property in favour of the Charity. If the property is sold within 25 years, the Charity is to receive five elevenths of the proceeds of the sale.

### 10. United Reformed Church, Hampton Hill

Grant award of £290,000 for community centre. Agreement between the Charity and the United Reformed Church (Southern Province) Trust Ltd dated 9 February 1996. The Agreement states that if the church ceases to occupy the building or it is no longer used for community use, the grant is to be repaid, reducing £5,000 for each year that the community centre has been used by the church.

### 10. TANGIBLE FIXED ASSETS (Continued)

### ADDITIONAL PROPERTY INTERESTS (Continued)

### 11. Metropolitan Water Board Club and Institute, 3 Ashley Road, Hampton

Grant awarded to Metropolitan Water Board Club of £120,000 for major refurbishment work. If the owner closes and/or sells the property, the grant is to be repaid. Agreement dated 27 February 2006. There is a charge on the property dated 25 June 2008 in favour of the Charity (Title Number SGL222598).

### 14. THE FUNDS OF THE CHARITY (Continued)

The Permanent Endowment Fund was established in 1988 when the Charity disposed of the freehold land granted following the 1811 Enclosure Act. As a permanent endowment fund, the assets cannot be directly applied to cover charitable expenditure, but income derived therefrom can be treated as unrestricted at the discretion of the Trustees and can then be used in accordance with the charitable objects. Under the powers granted to them by section 104A(2) of the Charities Act 2011, the Trustees have adopted a Total Return approach to the management of the Permanent Endowment Fund. Included within the Permanent Endowment Fund are net unrealised gains arising on the revaluation of investments totalling £4,446,229 (30 June 2022: £4,447,715).

The Unapplied Total Return Fund comprises that part of the total return on the Charity's permanent endowment investments which has not yet been allocated by the Trustees to either the General Fund or the Permanent Endowment Fund. It can be carried forward if not needed or allocated to be spent as income or reinvested in the Permanent Endowment Fund in a particular year. Included within the Unapplied Total Return Fund are net unrealised gains arising on the revaluation of investments totalling £Nil (30 June 2022: £Nil).

The General Fund comprises those funds which the Trustees are free to use in accordance with the charitable objectives. Included within the General Fund are net unrealised gains arising on the revaluation of investments totalling £575,998 (30 June 2022: £752,967).

For the year ended 30 June 2023, the Trustees took the decision to transfer £1,002,963 (2021/22: £1,460,626) from the Unapplied Total Return Fund to the Permanent Endowment Fund, and to transfer £1,500,000 (2021/22: £2,500,000) from the Unapplied Total Return Fund to the General Fund.

#### 16. RELATED PARTY TRANSACTIONS

All the Charity's Trustees are drawn from the London Borough of Richmond upon Thames or will have a strong connection to the Borough. Many are very active in the community and bring valuable knowledge and information to the Charity's decision-making. When the possibility of awarding a grant to an organisation with which they or their family are connected is being considered, the Trustee concerned declares an interest and if present at the meeting, will leave the room before any discussion takes place and a final decision is made. Related party transactions will be recorded even if a Trustee with a potential conflict of interest is not in attendance at the meeting when a decision is made.

During the year, the Trustees awarded the following 5 grants totalling £133,000 (2021/22: 9 grants totalling £276,000) of which the following Trustee or close family, may be regarded as a related party:

| Description   | Amount (£)        |
|---|-------------------|
|   | in the first Hill |
| MTV Youth Hampton                                     |                   |
| Ben Lovell (Trustee of MTV Youth Hampton)             | 30,000            |
| The Mulberry Centre                                   | 30,000            |
| David Meggitt (Former Trustee at The Mulberry Centre) |                   |
| Richmond Users Independent Living Scheme (RUILS)      | 32,000            |
| Richmond Users Independent Living Scheme (RUILS)      | 36,000            |
| David Meggitt (Partner is a volunteer at RUILS)       |                   |
| TW Money Advice Service                               | 5,000             |
| Martin Duffy (Trustee at TW Money Advice Service)     |                   |
| Total   | 133,000           |

In addition to the above, during the year, fuel grants amounting to £520 were awarded to a relative of a member of the Charity's staff.

FINANCIAL STATEMENTS for the year ended 30 June 2023

## ACCOUNTANT'S REPORT TO THE BOARD OF TRUSTEES OF HAMPTON FUEL ALLOTMENT CHARITY ON THE UNAUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

In order to assist you to fulfil your duties under Charities Act 2011 and regulations thereunder, we prepared for your approval the financial statements of Hampton Fuel Allotment Charity, which comprise the Statements of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes as set out on pages 22 to 48 in accordance with the financial reporting framework set out therein from the Charity's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at: http://www.icaew.com/en/members/regulations-standards-and-guidance.

This report is made solely to the Board of Trustees of Hampton Fuel Allotment Charity, as a body, in accordance with the terms of our engagement letter dated 7 July 2022. Our work has been undertaken solely to prepare for your approval the financial statements of Hampton Fuel Allotment Charity and state those matters that we have agreed to state to you in accordance with ICAEW Technical Release 08/16 AAF as detailed at icaew.com/compilation. This report should not therefore be regarded as suitable to be used or relied on by any other party wishing to acquire any rights against RSM UK Tax and Accounting Limited for any purpose or in any context. Any party other than the Board of Trustees, which obtains access to this report or a copy and chooses to rely on this report (or any part of it) will do so at its own risk. To the fullest extent permitted by law, RSM UK Tax and Accounting Limited will accept no responsibility or liability in respect of this report to any other party and shall not be liable for any loss, damage or expense of whatsoever nature which is caused by any person's reliance on representations in this report.

It is your duty to ensure that Hampton Fuel Allotment Charity has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position, and net movement in funds of Hampton Fuel Allotment Charity under the Charities Act 2011 and regulations thereunder.

We have not been instructed to carry out an audit or a review of the financial statements of Hampton Fuel Allotment Charity. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us, and we do not, therefore, express any opinion on the financial statements.
